Transpersonal Publishing Mission

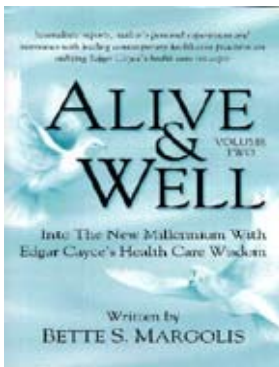

Transpersonal- "The act of crossing the body, mind, and spirit." The ideology of achieving holism is a common thread among all of the titles published under Transpersonal Publishing. As a division of the American Holistic University, it offers titles in: alternative medicine, mind-body healing arts, reincarnation, natural health, near-death experience, modern mysticism/Edgar Cayce, and more. Not afraid to be controversial, this press publishes concepts that challenge mainstream models by offering new approaches to health, healing, and spirituality. Its future direction involves authors and literary concepts having a proven track record of success in metaphysics, natural health, and controversial social-political issues that affect the planet. Innovative concepts for innovative thinkers.

An historical account of the battle between Naturopath Harry Hoxsey and the AMA and FDA. It started when Harry's father's horse contracted cancer on his Illinois farm, then ate in a different pasture than the rest of the herd, and was cured. Not long after, Harry's father was on his deathbed when he asked his son to make natural herbs with cancer curative properties available to the public. Little did this naturopath know, he would spend the rest of his life battling the FDA and the AMA to do so. Eventually Dr. Hoxsey won his day in court with the AMA by proving that the Hoxsey formulas, which are listed within the pages of this book, cured cancer. Complete with pictures of nationally-broadcasted healings, congressional hearings, and an account of Harry Hoxsey's battle to help mankind in his own words.
